Bill, are you clear about how/why this is moving forward if Kevin's federal dollars can't be used in a leveraged way?
Guess we will find out tomorrow.

Subject: Memphis Rate Card Working Group Agenda & Materials

Hi all,

Hope everyone is doing well!

I know it's been a while since our last Working Group, but we're looking forward to reconvening the group tomorrow in order to start testing hypotheses about the rate card design. Agenda is below and materials are attached - please let me know if you have any questions.

1. Overview of project progress to date
2. Discussion: Project design framework
3. Review of workplan and next steps

Thanks!
Rachel
